

Testimonial

Thank you for taking the time to leave your feedback! We use client testimonials to post on our website, social media and print marketing material.

Your name: Tio Martin / Cody Martin Pet's name: Toothless  
Pet's age: 10 months Breed: Shorthair feline  
What procedure did your pet receive? Hip alignment, repair shattered hind leg & fractured hind leg

What was your pet's main problem(s) or your concern(s) before you brought him/her to us?  
Pain over - shattered left hind leg  
fractured right hind leg  
dislocated hip  
How long (if applicable): 2 days prior to surgery

What results did you see from our procedure?  
He got to keep his legs and how quickly the procedure went after we brought him in

How has this improved you and your pet's relationship?  
I will baby him more and not trust him as much when he goes outside

What did you like most about the procedure?  
He kept all his legs and he was well taken care of before and after the procedure

Why would you recommend this procedure?  
So more animals don't lose their legs

Is there anything else you would like to add?  
We appreciate all the financial help and how quickly the surgery was after we brought him in so he did not have to be in pain any longer

THANK YOU - CAJENCE
